INSTRUCTIONS:

1. This document contains information about your aid offer. You may keep this for your records.
2. By accepting any financial aid award you are agreeing to the Policies and Conditions published on the financial aid website. https://financialaid.ucsc.edu/eligibility%2Drequirements/ugrd_policies_conditions.html
3. Note the message codes (if any) for each award. Each code is explained in the Messages section of this document.
4. Middle Class Scholarship and Blue and Gold awards are assigned in late fall term for eligible applicants. Students with Cal Grant, Pell Grant, and/or university grant typically receive much more gift aid than what is provided under Middle Class or Blue and Gold. Additionally, these types of aid are applied against eligibility for Middle Class and the Blue and Gold programs.
5. If you received a notice from the California Student Aid Commission of your eligibility for a Cal Grant or Middle Class Scholarship and do not see the award present in your offer below, then this may be a timing issue. It could also indicate you no longer qualify based upon review of documentation you submitted to our office or receipt of other financial assistance. Note: Cal Grant is a component of your total grant eligibility. As such it reduces university grant when input as part of your aid offer.
6. If you have questions or need assistance, please contact the UCGS Financial Aid Office: 205 Hahn Student Services or call (831) 459-2963.

MESSAGES:

CALA: You appear to be eligible for the Cal Grant award based on your financial aid application information. Cal Grant is money assigned by the California Student Aid Commission to students who meet certain criteria to assist with payment of tuition and fees. The Financial Aid and Scholarship Office confirms eligibility with the California Student Aid Commission the summer before the academic year begins. If we are unable to confirm your eligibility, we will remove this award. Please check the official status of your Cal Grant award by logging onto <https://mygrantinfo.csac.ca.gov> and also verify that you identified UC Santa Cruz as the school you will be attending.

FDSL: If this is your first accepted Federal Direct Subsidized Loan at UCSC, you must do the following before your loan will disburse. Go to <https://studentloans.gov> then:

1. Complete a Federal Direct Loan MPN (Master Promissory Note) and
2. Complete the required Entrance Counseling.
3. Be sure you have a current and active PERMANENT address at my.ucsc.edu.

This loan's interest is paid by the federal government while you are enrolled at least half-time. Interest is accrued as soon as you drop below half time enrollment. Repayment begins 6 months after you are no longer enrolled half time or more. Interest rates differ based on the year of your loan.

For more information, visit our website:

<https://financialaid.ucsc.edu/types-of-aid/loans/federal-direct-student-loans.html>

FDUL: If this is your first accepted Federal Direct Unsubsidized Loan at UCSC, you must do the following before your loan will disburse. Go to <https://studentloans.gov> then:

1. Complete a Federal Direct Loan MPN (Master Promissory Note) and
2. Complete Pre-Loan Entrance counseling.
3. Be sure you have a current and active PERMANENT address on my.ucsc.edu.

Interest accrues on this loan while you are enrolled. However, principal and/or interest payments may be deferred until after you are no longer enrolled at least half time. Interest rates differ based on the year of your loan.

For more information visit our website:

<https://financialaid.ucsc.edu/types-of-aid/loans/federal-direct-student-loans.html>

PELL: Federal Pell Grant awards are based on enrollment in 12 or more credits per quarter unless you are approved for the Undergraduate Part-Time program. If you are enrolled in fewer than 12 credits on the deadline to add/drop classes (the end of the third week of each quarter), we will cancel or reduce your Pell Grant based on the actual credits in which you are enrolled. If your Pell Grant is reduced, it will not be reinstated and you may be billed for the amount of the reduction. Failure to repay the grant immediately upon billing may result in a hold on your enrollment for subsequent terms.

PLUS: This Budget Gap or Parent Loan item represents the portion of your budget where you have opportunity to either reduce your costs, borrow Federal Parent Loan or outside agency loan, or pay out of pocket depending upon some of your choices. For a breakdown of the academic year budget, please visit <https://financialaid.ucsc.edu/cost-to-attend/undergraduate-costs.html>.

Reducing your costs is one of the best ways to reduce or remove need for this Budget Gap. For example, the estimated housing budget for on-campus lists \$16,641. However, if you were to choose a large triple with 7 day meal plan the cost is \$15,702 this past year (a savings of \$939). This savings may be a way to reduce this Budget Gap item and thus your need to borrow or pay out of pocket.

If you review the budget your aid was based on and feel you do need this Budget Gap filled, then you have the option to pay out of pocket through your MyUCSC portal or your parent can borrow Federal Parent Loan. The maximum your parent could borrow is the amount listed in this Budget Gap Or Parent Loan item. Note that parent borrowers must apply at studentloans.gov, complete a Master Promissory note after July 7, 2020 and before August 15, 2020 for the loan to pay to your student account by fee deadline. For more information about the Federal Parent Loan, please visit <https://financialaid.ucsc.edu/types-of-aid/loans/plus-loans.html>

SHIP: Students are automatically enrolled in and charged for the University of California Student Health Insurance Plan (UC SHIP) unless they choose to submit an on-line insurance waiver confirming they have comparable health insurance coverage. The UC Health Insurance Grant is intended to offset the cost of the University Student Health Insurance Plan (USHIP). This grant will be cancelled if you waive out of USHIP at UCSC.

UCGT: UC Santa Cruz grants are awarded to undergraduate students who demonstrate financial need. Funded by the University of California, these grants do not need to be repaid. As with all other sources of aid at UC Santa Cruz, students must reapply each year and receipt of other outside financial resources may impact this award.

UNVL: You have been offered a UCSC University Loan as part of your award package. Students borrowing a University Loan must complete loan requirements before loan funds can be disbursed. First time borrowers must complete a Master Promissory Note which is valid for up to 10 years. You are also responsible for completing entrance counseling and one set of TILA documents per academic year. If a subsequent University Loan is awarded during the academic year, you are responsible for completing a new set of TILA documents for that new amount.
