10:40am:

I started my day later than I normally would because I had no alarm. I slept pretty good because I wasn't on my phone scrolling aimlessly before my eyes forced themselves to close. I have no idea what I'm going to do today without my phone or t.v.

12:14 pm:

I have been trying to see what package my mom got a couple weeks ago, & she finally told me it was my birthday present. She let me open it early & to my surprise it was this hair wax that I mentioned to her super long ago. She's known that I've wanted to dye my hair but I didn't want to risk damaging my hair. Anyway, I finally tried it out on one side of my hair & it looked so good. It was supposed to be gold but it looks more brown due to my dark hair. I definitely want to try the pink wax next.

3:20 pm:

After doing my hair I kinda sat in my room doing nothing UNTIL I decided to redo my room like I'm in the Sims. I moved my bed, desk, bookshelf, & dressers around & totally organized everything
